

An Introduction to Faith-Based CMMB

CMMB (Catholic Medical Mission Board) is an international, faith-based non-profit. Inspired by the example of Jesus, CMMB works in partnership globally to deliver locally sustainable, quality health solutions to women, children, and their communities.

We deliver donated medical product to health facilities and organize teams of volunteer doctors, nurses and healthcare professionals to provide care to those in the community.

CMMB has five country offices in Haiti, Peru, Kenya, South Sudan, and Zambia.
